

2012 ANNUAL RALLY

Hopefully everyone will agree that our rally at Staplefield Common was a great success. We had over 50 cars attend, and they looked great on the field amongst all the other displays. Despite some ominous looking skies, the weather held off till just after prize giving, when it let us have it both barrels. And talking of prize giving, the results this year were as follows:

Morris Minor Class

1 st	Mick Cowdrey	408 DLU	Grey 2 door Saloon
2 nd	Bob Clayton	CNU 785G	Maroon 2 door Saloon
3 rd	Angela Gould	VUF 924K	Trafalgar Blue Traveller

Best Visitor

Bryan Cowling	FJH 916	Black Austin 10

We would like to congratulate all those who won prizes!

As you may have noticed, we also had the first 'official' outing of our new gazebo, paid for by Maurice Sykes' donation. I think David had some concerns over the colour at first (we had planned on green!), but I have to say the yellow does look very striking and is lovely and bright inside, even when you need to put the sides up.

The committee would also like to officially and publically thank Sylvia and John Evans, who put on one of the most amazing tombolas ever seen. I know those of you who were there will agree, the stall looked great! For those who missed it, we have a picture, but sadly not in colour. Sylvia and John put an awful lot of work into the day, so we'd like to say a big thank you to them. It was also amazing to watch them get everything back into their car at the end (in the rain!) – RYU should be renamed the Tardis, as I really didn't think there was any physical way Sylvia's hundreds of bags were going to fit in there!

We hope everyone had a good time. As you know this was a bit of an experimental year rally wise. The committee really would value your feedback, both good and bad, in order to plan future rallies that YOU, as the members, will enjoy. We can accept feedback via post or email, and if you wish to send something anonymously that is also fine!
